

# PRODUCE SAFETY RULE WORKSHOP SERIES

Where does your farm fall within the PSR?  
What are PSR exemptions and exclusions?  
What sort of records should be kept?

*If you have any of these questions, this workshop is right for you!*

The RI Produce Safety Program will be hosting a series of three *free* workshops that will focus on de-mystifying the Produce Safety Rule (PSR) and aims to assist you in determining how you can prepare.

Each Produce Safety Rule Workshop will cover:

- Exemptions and exclusions under the PSR
- How to apply for an exemption
- Record-keeping
- Tools for assistance
- The Produce Safety Rule and market access
